**Heating:** Electric storage heater throughout except bathroom (overhead electric fan heater).

*\*Heating provision is under review to include renewables.*

**Hot water:** On total heating control with option to boost at any time of day.

**Fire safety:** There are mains smoke alarms both upstairs and downstairs, with fire extinguisher and fire blanket in the kitchen. All upholstery complies with current fire safety regulations.

**WiFi:** is available in both apartments. The connection is provided and intended for keeping in touch, researching information for your visit and live streaming if the connection is sufficient at the time of use. Based in Ascrib it is shared by Shiant and therefore not a secure connection and should be used accordingly. We do not guarantee the availability of WiFi or the connectivity speed as these aspects of provision are controlled by our broadband provider.

**Mobile Service:** As with most areas on Skye, mobile service is patchy. WiFi calling is possible.

## **INCLUDED:**

**Linen:** bedding, NO TOWELS included as standard, but can be booked at the time of booking \*  
*Except during Covid when the option will not show as available.*

**Electricity:** £25 electric, balance paid on departure please, meter readings will be left for your arrival, you will read on departure. \**This will be reviewed and perhaps increased early in 2022*
